Get to Know Me

I have studied Theoretical Linguistics and Semiotics but I've been troubleshooting computers since I was a kid. I live in Berlin with my boyfriend and our two cats, Chilo and Bobo.

Hobbies

I play guitar and drums and I'm an avid gamer. Also, when I'm not reading history books I solder electronic kits.

How is your experience so far in the DHTA?

So far it has been really rewarding!

What do you want to do when COVID is over?

I would like to finally travel to Japan as my flight was cancelled because of COVID :(

Camila Belen Siede

Birthdate: 20 August 1994/ City of Origin: Buenos Aires, Argentina/ Family status: Married

Get to know me

I am a Political Scientist by training but I am becoming a web developer by passion!

My hobbie is watching movies. I have the most lovely cat in the world. She is in Buenos Aires right now so, I miss her so much. I could say that my favorites movies are the Harry Potter saga. Thinking about music I love Taylor Swift.

Favorite food? Empanadas (Argentinian ones, of course)

How is your experience so far in the DHTA?

So far so great! We are learning a lot.

What do I want to do when COVID is over?

Visit Argentina without having to quarantine!

Get to know me

My wife and I have two cats who we love dearly, Chromie and Maiev. My favourite hobby is playing video games, but I also enjoy reading books (crime and fantasy). As far as sports go I watch Esports and go running on occassion.

How is your experience so far in the DHTA?

I am having a great time and already learned a lot about git, which so far I have only used occasionally and in a very limited fashion. I am very much looking forward to the future classes and am excited about what's coming.

What do I want to do when COVID is over?

I want to go on a nice vacation somewhere warm to the sea. And I very much want to go back to my hometown and meet a lot of my friends who I mostly have not seen for over a year.
